*Subject:* Benefit Sale for Families of Four  
Dallas Firemen Who Recently Lost Their Lives

We have been informed by the Fire Department that the management of the Ward's Drug Stores in Dallas County (there are 13 stores in Dallas and one in Grand Prairie) will open at 7:00 a.m., Wednesday, March 4th. This is one hour earlier than their normal opening time. For this one hour, all their employees are donating their time. The Ward's Drug Stores will donate the entire proceeds of ALL sales, exclusive of excise and sales taxes, to the Policemen's and Firemen's Welfare Fund for the benefit of the families of the four firemen recently killed on-duty.

If you, your family, or friends, have need of drugs and sundry items sold by this firm, you can help these families by making needed purchases between 7:00 and 8:00 a.m., Wednesday, March 4th.
